What is Motivational Interviewing?

Motivational Interviewing (MI) has been widely used as a tool for facilitating change. It can apply to many behaviors such as substance dependence, health coaching, mental disorders, problem gambling, parenting and more. This class is useful for anyone who is interested in helping support others make difficult changes in their lives. No previous experience with MI is necessary.

Forms must be submitted by **February 1, 2017** to:
KPCC Counseling, Attn: Erin Stroup, 16 Leon Sullivan Way, Charleston, WV 25301
Or by email to erin@kpcc.com.
